FUN RUN

Dear Parents,

Just a reminder that the BAR HILL FUN RUN takes place on SATURDAY 17th MAY. Registration begins at 10.00am and the first run is at 11.00am.

There are certificates for all those completing their runs as well as trophies for the winners of each section, including, this year, a trophy for the winning lady!

The draw for the raffle will take place after the run and there will be some very acceptable prizes to be won - so don't forget to buy your own ticket before you sell all the others!

We do hope you will come along either as competitors or to cheer on all the runners, especially, hopefully, our Fancy Dress teams.

With your support and a few prayers for fine weather, we can make the Fun Run a most enjoyable event.

So, if you haven't already sent in an entry form you will find one elsewhere in this magazine.

Good luck - happy training and hope to see you all on the 17th May.

Sharon Camilletti (P.T.A.)

DR. BARNADOS

Thank you to everyone who helped with the recent door-to-door collection. We raised over £250.

PROPOSED COMMUNITY SPORTS CENTRE PROJECT

The new Sports Centre Committee met for the first time in the Farm House on Tuesday 18th March under the chairmanship of Keith Goodman. Two areas of interest were defined by the Chairman, which were "what exactly do Bar Hill Residents want in their Sports Centre?" and "where do we get the money from to pay for it?".

The task of determining the facilities villagers want has been undertaken in the form of a canvass. Preliminary results indicate many diverse sporting and leisure activities are desired. One fact is certain. The cost of building and running a swimming pool are prohibitive, so the decision to include a swimming pool in the initial specifications will not be taken until we can financially justify its inclusion. The desire for a pool is plainly obvious, so the committee will, if at all possible, include one at outset.

To avoid nugatory work, committee members are visiting local sports centres which have offered to share their hard come-by knowledge. In the long term, these liaison visits will form the basis of inter community sports project.

The knotty and complex task of raising sufficient money to fund such a large project dominates committee time. It is being tackled on three fronts:

- a. Certain Central and Local Government organisations are able to support a project such as this by direct grant schemes. These authorities will soon have letters arriving applying for grants.
- b. Local Companies and Shops have been offered an opportunity to support Bar Hill by donations. It is also hoped local companies will become involved at more practical levels of support.
- c. The community will be asked to support this vast project by various means. A working party within the committee is organising fund raising activities such as the purchase of bricks and sponsored events. Please give your support!

It appears a daunting task to organise, plan and finance the proposed sports complex, with a conservative estimate of a final bill being in excess of three quarters of a million pounds. When broken down into manageable proportions, the committee believe it possible to give Bar Hill Residents what they want. One policy the committee totally agreed on is that no corners are going to be cut, to give Bar Hill a sports complex worthy of the village.

Gerry Walmsley,
Sports Centre Promotions

SPORTS CENTRE FUND RAISING EVENTS

The Fund raising working party from the Sports Centre Committee will be calling on the volunteer fundraisers in the near future for assistance in forthcoming activities.

Have you any old Pennies? If you have and can spare them the Sports Centre Committee can make money out of them. If you want them back they will be returned. Please contact FRAN TELFER 81793 or ADA MILTON 80771.

Have you facilities to grow plants for the Sports Centre Committee to sell? If you have, would you please contact FRAN TELFER 81793 or ADA MILTON 80771.

On 24th May the Sports Centre fund raisers will be building a copper mountain in the Mall. Put your 1p, 2p, 1p coins on the mountain and help us build you a sports centre.

On 28th June, Fete Day, the Sports Centre Committee will be holding a Baby Show/Beautiful Baby competition. Mothers with babies between 1-3 years are invited to enter their children at the stall on the Village Green. Prizes will be given for 1st and 2nd places.

CROSSROADS CARE ATTENDANT SCHEME

Until May 1971 Noel Crane was a perfectly fit healthy young man, but then came the tragic diving accident from which he sustained a broken neck. Months of intensive care in a Spinal Injuries Unit followed, Noel gradually coming to terms with the fact that he was now almost completely paralysed. Fiercely independent, he devised ideas for gadgets enabling him to feed himself, write, and eventually to drive his car again. Even so, from now on he would need constant care. It was impossible for him to retain his job as motor mechanic, but was offered a position in the training department of another firm where he is now an "Administration Officer".

Unable to get out on his own, T.V. claimed a lot of his attention. At that time the popular series "Crossroads" was depicting Sandy Richardson as being completely paralysed following a road accident. Noel was intrigued by what he considered to be an incorrect presentation of the case and rang the producer to say so! To his surprise Reg Watson readily agreed to discuss the matter with him. The continuing storyline of "Crossroads" showed the strain borne by a caring relative of a severely handicapped person and how it was alleviated by "Meg" employing a nurse for Sandy and then starting a fictitious fund raising scheme to send the same help to other families. It was April 1974 when Dr. Hudson-Evans, medical advisor to "Crossroads", explored the possibility of turning fiction into fact, A.T.V. donated £10,000 towards a pilot scheme. Pat Osbourne, then a District Nurse at Stratford-upon-Avon met Dr. Hudson-Evans, and together they formulated a questionnaire which every prospective helper was expected to fill in. The newspaper advertisement simply said "Are you interested in caring for people in their own homes?" and out of the 30 replies, 8 were selected and after further information were sent out with District Nurses for a week to meet possible clients and to familiarise themselves with various "medical gear" necessary to most disabled people.

So much for the beginnings but what of today's Crossroads Scheme? Approximately 24 part time helpers are employed in Cambridge and its District. A branch at Huntingdon has recently been launched and Newmarket has plans in the pipeline. The area of service is gradually spreading nationwide as funds permit, and as suitable helpers are enlisted. A few of them have had medical training but all are endowed with a great capacity for patient caring. Employed in such a position of trust they are all expected to observe

professional etiquette, confidentiality and the ability to take over complete caring duties without disrupting the household, so that the relative can have his/her time off happy in the knowledge that all will be well when he/she returns.

The scheme caters for people between 16-65 years of age but considers all applicants with real needs. It is funded by the local Social Services, also by donations and fund raising efforts.

Noel Crane's mother was one of the first to benefit from "Crossroads" a helper arriving each morning to get Noel ready for his 8 a.m. departure to work. Since then, hundreds of similar situations have been eased beyond measure by this marvellous band of helpers.

One can only wish the project more publicity, more financial backing, to continue the success it so richly deserves.

Douglas Adams, "Lark Rise", 15 The Fairway, Bar Hill, Cambridge

DAR HILL ALLOTMENT SOCIETY

Well here we are again in the full growing season. Not much to report this month but one unfortunate item has to be mentioned. It concerns the manure we PURCHASED for plot holders to buy to enrich their soil - it all seems to have gone with very little money being received. It is possible that members thought it was free as no price was shown (20p per barrow load) or they just haven't got round to paying for it yet. Either way, could those who have taken the manure please pay a.s.a.p. as the society is not exactly "flush" with money.

Just a reminder, the shop opens EVERY Sunday 11.30-12.30 and membership is only 50p. There are many plots for rent at £1.00 or £3.50 (cultivated).

Dave Young,
CH 81048

P.S. I have just heard that the shop failed to open on Sunday 13th April - my apologies to disappointed customers. I will investigate and do my best to ensure it does not happen again.

Easter saw yet another exchange between Bar Hill and Emmertsgrund as participants of the Cambridge/Heidelberg Festival. This year we hosted more Germans, 27 in all, than ever before, fair proof of the increasing popularity of this community exchange.

The week passed all too quickly being filled with a variety of activities from a football match and indoor bowls followed by a very successful social evening to coach trips to Woburn Abbey and Safari Park and London.

This exchange cannot take place without the host families and I would like to thank most sincerely all those who hosted Germans and those who helped in the organisation and activities during the week.

May I just say that we are continually looking for new families and individuals to join us, next year we shall be going to Emmertsgrund at Easter. If you feel that you would like to participate please contact me.

BAR HILL CATHOLICS

As most people probably know, we now have Mass each week in Bar Hill - every Saturday evening, at 6.00pm in the Church Centre. This is an anticipatory Mass of Sunday, so it fulfils the Sunday obligation. Please note that as we now have Mass every Saturday there will no longer be Mass on the second Sunday of each month. However, on Sunday 11th May we will be joining Bar Hill Church for an Austerity Lunch at 12.00pm in the Church Centre to mark the beginning of Christian Aid Week. This will be followed by our long awaited Ecumenical Football Match against Bar Hill Church which had to be postponed last month due to a water-logged pitch.

Please make a note in your diary for Sunday 29th June, when there will be a special Mass at which eleven children will be making their first Holy Communion. The time of the Mass has not yet been fixed, but we shall be having a party afterwards to celebrate the occasion.

We welcome anyone who is new to the village - please feel free to ring me, or call in, for more information on Catholic activities in Bar Hill and the area, or just to say hello.

DOG OWNERS

Once again the problem of dog excrement has arisen. If you feel you have to exercise your dog around the areas that are used by children, in particular the school playing field and generally along the paths, the use of a 'poo-scoop' would help to lessen the amount of muck that is around. There are several areas other than the above that can be used for dog walking.

Many people have expressed their feelings of worry about disease and anger when they or their children step in it, so please dog owners, 'mind where your dog does its business'.

Dear Residents,

Not so long ago I had the unfortunate experience of having my car damaged by a golf ball which had been hit out of the bounds of the course. I was at the time driving along Crafts Way, a PUBLIC road.

The result of this so far has been an £83.00 repair bill and a very negative response from Bar Hill Golf Club and the Moat House Hotel, who I regret to say, claim no responsibility for the matter, furthermore show no concern.

There is every possibility that a similar or more serious incident could well occur again, in the future. I'm sure neither you nor I would like to see this! I would, therefore, be most interested to hear from anyone who knows of, or better still, has experienced similar problems from overshot golf balls.

Yours faithfully,

BAR HILL COMMUNITY PRIMARY SCHOOL

By the time this letter is published I hope we shall all be enjoying the "darling buds of May" and celebrating May day without layers of woolies to keep warm. This year has certainly been seasonal with March roaring like a lion and April full of very heavy showers.

Surely it must be time for some nice warm sunny weather to enjoy the lovely open spaces we have in Bar Hill.

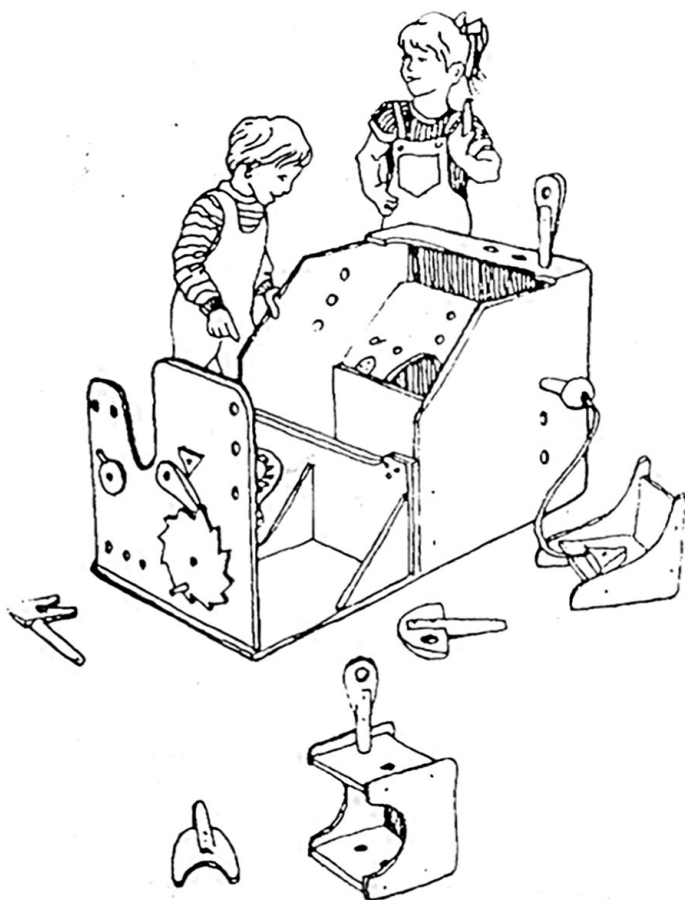

There isn't a great deal to report on the community education front as this is the time when the back room boys (or girl in this case) wrap wet towels round their foreheads and put together the Autumn programme for your (hoped for!) delight, erudition and entertainment. It still isn't too late for me to have your ideas and I have one or two of my own up my sleeve but its early days yet to say that all the arrangements have been made, As they say - "look for the next instalment".

Just before Easter Swavesey V.C. Community Association held an Open Evening to which we were invited to participate. Several of our

Clubs and Classes went along and did demonstrations and our Community Association had a large display board to exhibit photos and information on all the various activities that use your Community School. I think that villages in the area were rather surprised to see so much going on here. The evening was very pleasant and it was very nice to meet up again with several ex Bar Hillians who have moved out of this village into another village within the Swavesey catchment area. It was also good to see many current Bar Hillians at Swavesey and to join with them in such a good evening.

Have a good May Day Holiday and let us hope for a lovely summer.

THE ROYAL BRITISH LEGION

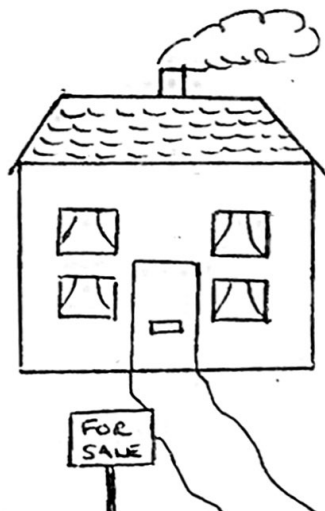

(Incorporated by Royal Charter)

The British Legion in Bar Hill is now well established, but of course we still need the support of all ex servicemen and servicewomen and as importantly current servicemen. Everyone will be made welcome, as you will appreciate that full membership is the key to a successful Club.

The Legion is now building up to the Summer Fete and as well as other attractions, we plan to run our very successful secondhand bookstall, so any books that you can donate would be gratefully received by our Chairman, Bill Thompson in The Fox at any time.

As you will appreciate the purpose of the British Legion is to support ex service personnel and their dependants in times of distress and hardship.

We look forward to meeting you at our next meeting at our new club in the farm house, by the School, at 20.15 on Thursday 15th May when you will be made more than welcome.

OBITUARY

Mr. Leslie Maurice Wade, beloved husband of Barbara and dear father and grandfather, passed peacefully to rest in Addenbrookes Hospital on Friday 7th March 1986 following a long illness. Cremation took place on 17 March at Cambridge City Crematorium.

He was one of the pioneers of Bar Hill, having come to reside here in February 1968 when he came to Papworth Industries as Manager to set up and open workshops in Engineering, Electronics and finally Tallyn Workshop for the disabled.

He was a keen member of the Bar Hill Bowls Club and Pike and Eel Boat Club.

THANKS

Mrs Barbara Wade and family wish to thank everyone for the many cards, letters and beautiful floral tributes with special thanks to the Bar Hill Bowls Club and all at Papworth Industries.

P.A.N. (PRACTICAL AID NOW)

PAN aims to co-ordinate any practical help for people in need, both in Britain and overseas. We knit and sew for the Co-Workers of Mother Teresa and sort and pass on good used clothes for use by Mother Teresa, or by Oxfam, W.R.V.S. and the Salvation Army.

We will be having the second of our regular coffee mornings on Tuesday 20th May from 10.00 until 11.30 in the Church Centre. Please bring along any clothes you would like to pass on and stay for a cup of coffee afterwards. If you can't come to the coffee morning, please ring any of us and we will collect the clothes on the previous evening.

We have lots (and lots and lots) of wool and material ready for making up into blankets or clothes for use in India. Could you spare a little time to do some knitting or sewing for us? All materials will be supplied, and we will deliver and collect the things you make. It doesn't matter how much or how little time you have - there will be no pressure on you to complete the work in any time limit. Please ring any of us if you could help. Thank you.

BAR HILL COLTS FOOTBALL CLUB

Next year we shall be registering two teams in the Colts League - under 12 and under 11. Consequently we shall be looking for a few extra players for both teams. Boys should be under 12 or under 11 on 31.7.86. We shall also continue to organise friendly games for children too young to play in the Colts League, (boys and girls!). So, anyone interested in playing football for the Bar Hill Colts should phone Jennie Barker on CH 80702 or come along to practice - Saturday mornings at 10.30am on the school playing field.

THE SUNSHINE PLAYGROUP

Our Easter Fayre was, despite the inclement weather, very well attended and enjoyed by all. We made approx. £60 and would like to take this opportunity of thanking the Cambridge Lodge Hotel, and particularly Patrick Collins for making the lovely gateau for our raffle - we all know Elsie, who won the gateau, enjoyed it immensely.

As an up-date to our Fund Raising list for the year, we have had to change the date of our sponsored activity day for the children from 17th May to the following Saturday, 24th May.

We intend to have a couple of stalls at the Village Fete on 28th June - an activities stall to keep the children occupied, and a bric-a-brac stall including jewelry and pots and potions for mums to browse through. Joy has put in a request for any broken necklaces, particularly diamantes, or other jewelry, beads, perfume and bric-a-brac she could repair, renovate or re-construct! So if you have any of these you no longer require, all contributions will be gratefully received during morning sessions at the Sunshine Playgroup Building.

Don't forget, if your child has a birthday coming up or you have any other kind of event to organise which is just too big to hold at home, the playgroup building is available for hire at weekends and the occasional weekday afternoon at a very reasonable rate. For further details please contact Rona Hargreaves on CH 80493

DAVE AND GERRY'S DISCO

As I sit down to write my monthly message to the faithful the first thing that comes to mind is that Gerry has just gone into hospital for some "minor" treatment to an unspecified part of his anatomy. Lets all wish him luck and hope all his parts come back in full working order.

By the time you read this we will have had our 4th Disco (or is it 5th) which will be "Solaris 7" - our most expensive undertaking yet, and our LAST, at £2.00 admission. The price will be reduced to £1.75 for all subsequent Discos provided YOU keep supporting us - and we still intend to put on a FREE show - unadvertised at some future date. The profit from the "Solaris 7" show will be for the benefit of the Bar Hill Girl Guides and Gerry and I are hoping to support all local associations, so let us know of any worthy causes in need of financial support (excluding Mark's card school).

On 9th May we have the return of Angus and "Night Music". This should be a good one as he gets married next day and we may have a surprise in store for him.

Finally the vote was taken at our last Friday effort decreed that Discos be held every three weeks (where possible) so our future dates are as follows:

Friday 9th May
Friday 23rd May
Friday 13th June (unlucky for some)
Friday 4th July (American Independence Day)
Friday 25th July

WILLINGHAM BOWLS CLUB

Once again spring is fast approaching and with the month of May we begin the 1986 Outdoor Bowling Season.

Willingham Bowls Club (est. 1937) would like to extend an open invitation to, either bowlers or all interested in bowling, to visit our green for a roll-up.

We are a very enthusiastic competitive club and have teams in the County League - Mens triples, and the Cambridge and District League - mixed roving cot, plus a full programme of interclub league and knock out competitions. There is also an impressive list of friendly matches arranged with Clubs both local and as far away as Heacham in Norfolk.

We are always keen to welcome new members so why not come along for a roll-up any evening during the week when you will find members on the green willing to welcome all newcomers to join them in a game. The bowls green is situated on the Village recreation ground at West Fen. Should you wish to contact the club before coming to Willingham, you can do so through either of the following: John Drury Tele CH 80122, Dave Burling Tel Willingham 60597 or Alan King Tel Cottenham 50626. We all look forward to seeing you.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNCILLOR

Dear Resident,

Good news! The contract to provide Gantry Signs on the A604 has been let and the work will start in May. The Lay-by will be removed at the same time but as yet no final decision has been made as to the siting of the new enlarged Lay-by.

Public Transport users will be pleased to know that Cambus in their review of Services and following representations about the Bus Service to Bar Hill are to re-route more buses into the Village to provide a half hourly service, commencing in the near future.

The County Council's Education Committee have formally accepted my proposal to save St. Bede's and to encourage the creation of a Joint Ecumenical Secondary School. The Committee also agreed to a review of Secondary Education 11 - 16 in the Cambridge and surrounding areas. It was also agreed to accept a new system for the Supervision of School Meals and the provision of £150,000 towards the full year cost with Central Government providing the remaining £350,000.

In the coming months the County Council will be deciding Capital Expenditure Projects for the year 1989/90. Provisional Papers on Secondary Education shows that Swavesey Village College will not be included in any major building programme despite the considerable increase in children expected to attend especially from Bar Hill. As a Governor of Swavesey and Representative for Bar Hill I will be pressing the case for Swavesey to be included in the building programme.

The Policy Planning Sub-Committee have agreed to defer until the Autumn decisions on the Cambridge Green Belt so that full account can be taken of information from the Structure Plan Review.

Since 1970 the Government have published 5 Consultative Papers on Rate Reform and have passed 3 Acts of Parliament. The recent Green Paper "Paying for Local Government" proposes a number of changes to bring about a fairer Rating System. Local Government employs 3 million people, 14% of the Working Population, accounts for 25% of the Public Sector Borrowing Requirement and has an annual expenditure of 26 Billion pounds, 1984/85 figures. (The Domestic Rate Payer pays 46% of the Rates).

In my next three Newsletters I will deal with three matters - Non Domestic Rating - Domestic Rating - Specific Grants. The Public will have until October to make their views on these issues known to the Department of the Environment.

Anyone wishing to contact me please telephone "Caroline" on Crafts Hill 80975 or write to Councillor Reynolds, 4 Pettitts Close, Dry Drayton.

Yours sincerely,
John Reynolds

14th April, 1986.

I am happy to be writing the first of what I hope will become a regular contribution to your Magazine.

This is a particularly busy time for the Community College. Indeed, as I write, the memories of yesterday's outstandingly successful Half Marathon, generously sponsored by the Aqua Group of Companies, are still fresh in the mind - if somewhat painful in various parts of the body. Not only will it have raised a substantial sum of money for the Intensive Care Unit for children at Addenbrookes Hospital, but it proved to be a real community 'occasion'. The support from spectators along the route, which passed through several local villages, helped sustain many who might otherwise have 'fallen by the wayside'.

Over the coming months the College is promoting an ambitious Summer Arts programme which should cater for all ages and tastes. If the programme has not reached you it is available in the Community Office.

The Community Swimming Pool re-opens, with its new boiler installed, on May 6th. Again, there will be a variety of activities from open sessions to private hire by way of lessons for children and adults and life-saving courses.

During the Summer holidays there will be two playschemes, sponsored by Godfrey's the Bakers - the Summer Playaway for younger primary school children, five mornings between 18th - 22nd August and the Summer School week (11th-15th August) for 9 - 14 year olds, which will comprise a varied programme of Sports, Arts and Crafts and Drama.

Details of all these activities are available from the Community Office (Swavesey 30373).

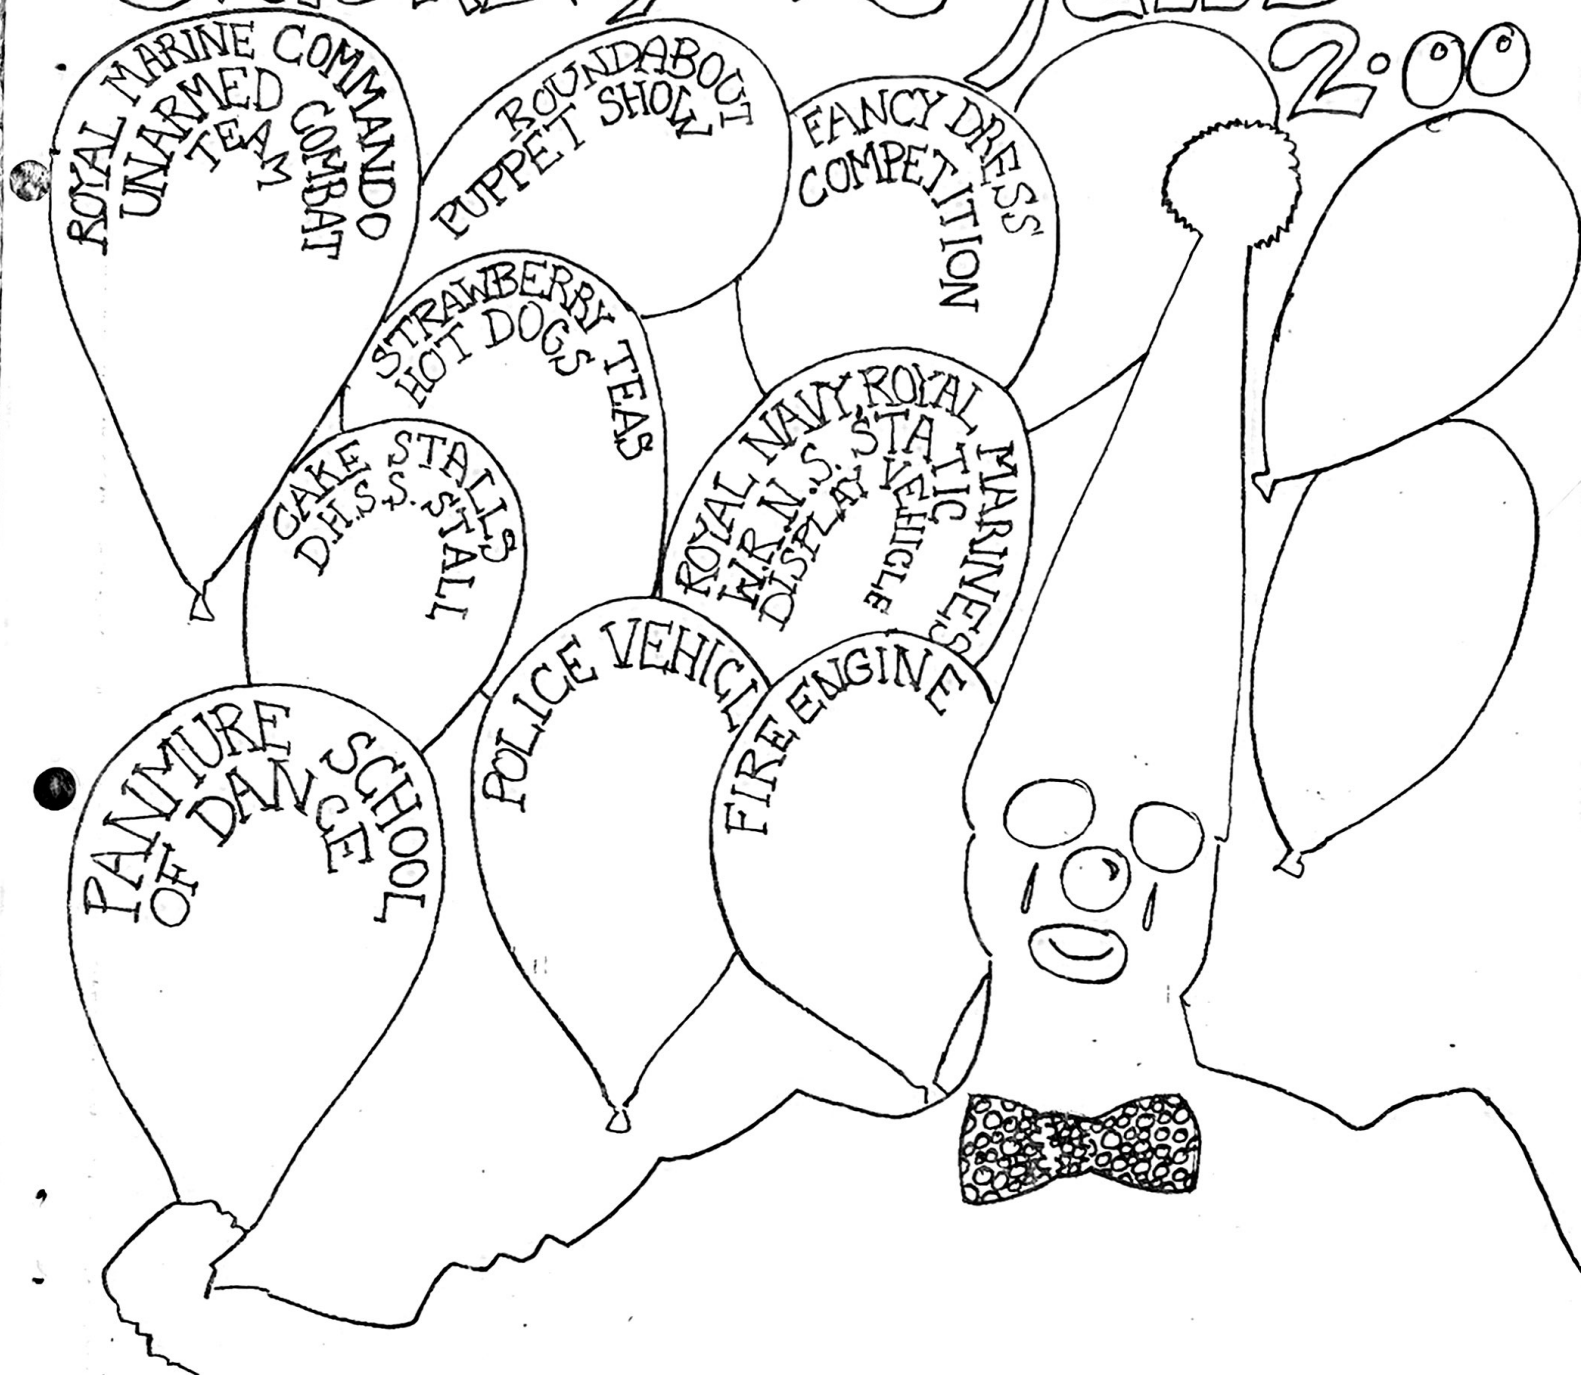

Finally, may I re-state our commitment to Community Education. This College is at Swavesey but it must serve all the villages in the catchment area. Both Colin Thomas (Senior Community Tutor) and I will be happy to hear from anyone who can offer suggestions as to how we can help to meet the needs and aspirations of all our villages.

Patrick Talbott.
Warden.
